Experience

**WALK-IN INSTITUTE
(2019 - 2020)**

**(Visiting Faculty for Interior
Design)**

As a Visiting Faculty at Walk_In Institute Thane, I taught AutoCAD for Civil and Mechanical Design, SketchUp, and V-Ray for Interior Design, emphasizing hands-on projects and traditional techniques.

NDZINES (2019 - 2023)

(3D Visualiser)

As a 3D Visualizer at NDzines, I collaboratively designed striking sets for Marathi plays, including 'Thoda Tuzha Thoda Mazha' and 'Gandhi Hatya aani Mi', enriching theatrical narratives through meticulous detail.

**OCULAR DESIGNS
(2020 - 2023)**

(Solopreneur + Chief Designer)

As Chief Designer at Ocular Design Studio, I lead a cloud-based venture specializing in 3D visualizations for interior design, architecture, and real estate. Bridging imagination and reality, I excel in client relations and showcase our portfolio through various platforms.

**FORHEALTH (2023 -
NOW)**

(Copywriter + Blog Writer)

As a Copywriter/Blog Writer at ForHealth, I articulate the significance of physiotherapy, highlighting innovative solutions and bridging technology with healthcare for a compelling narrative.
